ANNUAL ADDRESS

of

THE RIGHT REVEREND REGINALD MALLETT, D.D., S.T.D.

Bishop of the Diocese of Northern Indiana

to the

FIFTY-THIRD ANNUAL COUNCIL

of the Church in the

DIOCESE OF NORTHERN INDIANA

First Session - May 16, 1951

My dear Brethren of the Diocese of Northern Indiana:

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ.

We have passed a milestone since our last Council meeting in Plymouth, and we mee today as the guests of St. Paul's Parish, Mishawaka, a parish that readily invites us to hold our meetings here, and welcomes us with enthusiasm and thorough hospitality. I wish to express to the Rector, Father Groton, and through him to the parish, our gratitude for the privilege of meeting here today.

Please note that we are meeting in regular session, and that a part of our business today will be the ratifying action of the convention which changes our annual meetin to October of each year. Therefore, we will take recess this afternoon and will assem ble on Wednesday, October 10, 1951.

We call to mind, at this point, those of our Diocesan family who have passed awa since we last met. We cannot name them all, the many faithful men and women of ou parishes and missions who have left behind them strong recollections of sacrifice an service for the Church and for the Master they served. From our immediate Diocesa family group, very noticeable as we meet in Council, Gilbert Elliott is absent, and w miss him. The memorial resolution of the Bishop and Council prepared by Glen Sawye will become a part of this Journal and will be a permanent record of his years o service as Chancellor under three Bishops of Northern Indiana, Bishop White, Bisho Gray, and me. For them, and all the faithful departed I ask your prayers: (Rise)

> O Eternal Lord God, who holdest all souls in life; Vouchsafe, we beseech thee, to thy whole Church in paradise and on earth, thy light and thy peace; Accept our prayers on behalf of the souls of thy servants departed, and grant them an entrance into the land of light and joy, in the fellowship of thy saints; through Jesus Christ our Lord. Amen.
>
> May their souls, and the souls of all the faithful departed through the mercy of God rest in peace. Amen.

The last Council meeting authorized me to appoint an assistant to Mr. Elliott and did so by appointing Mr. Charles F. Boynton, Ass't Chancellor. After Mr. Elliott' death, I appointed him by Canonical provision to be Chancellor until this meetin today. Mr. Boynton is a young man of Christian character and ability and has alread served us well in the many new projects that the Diocese is undertaking. I am going t ask the Council to consider him as the logical candidate for the office of Chancello and by this action it will indicate to him our approval and our support.

The Canonical requirements for the work of a Bishop have been fulfilled by me entirely, as far as I am aware. I have visited every parish and mission at least once, and n some cases, many times; I have confirmed and ordained, celebrated the Holy Communion, preached, and examined records. I have met with Vestries and with groups of en and women, have had conferences with many Vestries, and with many individuals nd priests. I have not failed, so far as I know, to answer every call that has come to e as your Chief Shepherd. I have worked with determination and vigor for the spiriual and material growth of the church in new fields as well as in old. I have kept a ecord of all my official acts.

In our Mission field the new work at Huntington has gained by the acquisition of a eautiful piece of property on which is a substantial house now being used as a Chapel nd Parish House downstairs, and being made ready for a priest to live in an apartment pstairs. The Huntington group will ever be grateful to Father Reid and to the parishoners from Marion for their continued and regular help, and to the Diocese for their eneral assistance. In Warsaw I confirmed in the Hays Hotel, in April, a group of aults prepared by Father Mosier, celebrated the Holy Communion there, and had a famy breakfast with the group afterwards. It is a thrilling piece of work and we welcome oday a delegate today from St. Anne's, Warsaw, attending the annual council meeting or the first time since its organization.

I spent Shrove Tuesday at Angola, from which had come for two years constant calls or a priest and services. On Tuesday afternoon and night I had conferences with many tudents and the townspeople there. On Ash Wednesday I celebrated and administered oly Communion and imposed ashes to an earnest congregation of Episcopalians. We et in the Methodist Church whose pastor graciously loaned us their facilities.

Our established missions of Holy Trinity, South Bend, St. Paul's, and St. Stephens, as City, and St. Stephen's, Hobart, are all prospering, due to the leadership of deoted priests. St. Augustine's, Gary, will have a resident priest in July and has acuired a beautiful new Rectory. St. Andrew's, Valparaiso, is just finishing the work of habilitation of their Rectory, and we regret that Father Elliott is leaving on June 1. nder him the Mission has gotten to a point of progress heretofore unknown in its hisory, and when it acquires parochial status (which we hope it will do in a few years ime) the record will show that it was Father Elliott's guidance, keen planning, and ard work that accomplished it. The year has brought about the completion of the new cademic building at Howe School, and the purchase of new rectories by Gethsemane hurch, Marion, and St. Andrew's, Kokomo. Our interest in the order of St. Benedict at hree Rivers, Michigan, is very great. I want to mention the dedication last week of eir new Chapel at St. Gregory's Monastery, at which I blessed the high altar and tabrnacle, the customary act of a Bishop. I must also tell you of the recent anonymous ift whereby the Benedictines are enabled to build and equip a whole new building hich will afford a domicile for the monks. Continue to remember them in your prayers nd with gifts.

Trinity Church, Fort Wayne, has recently completed the refurnishing of their chapel, nd have made a beautiful setting for the tabernacle for the Reservation of the Blessed

Sacrament, and for many services.

Last year in my annual address I spoke of the Missions Quota for Northern Indiana for 1950, nearly $17,000, as a "staggering amount". It was staggering, but we paid it, as we have paid our quota in full, for six years. A complete study of the picture, however, made me present to the Missions Committee the unequal relationship between our giving to the National Church and what we have left to spend for ourselves on our Missions. The evaluation report of the Woman's Auxiliary made me see the necessity of assisting all our missions. The Diocese has reached a high point and we seemingly cannot go much higher on our overall giving. Therefore, we must revise this relationship between the givings to the National Church and what we have to spend for ourselves. The Missions Committee passed my findings on to the Bishop and Council. I want you all to see the picture as I do, and I am, therefore, furnishing here the chart as it was put in the Beacon.

Year	Raised	Gave	%	Remain for N.I.
1942	8,200	1,300	16	6900
1943	7,810	1,700	22	6100
1944	8,300	1,700	20	6600
1945	10,000	4,200	42	
1946	13,000	4,800	37	
1947	14,000	4,800	34	
1948	20,500	7,200	35	
1949	21,800	8,000	37	
1950	23,000	17,000	75	6000

No one is more zealous than I am for Missions, but all the wishful thinking in the Diocese will not enable us to do our work on that amount. The National Church has been very sympathetic and has expressed to me its entire understanding of our giving a reduced amount this year. The amount we accepted, however, $12,212 is not small when compared to the $1,300 of 1942, or to the $8,000 of 1949.

THE 1950 RESOLUTION REGARDING THE ACTION OF THE TRUSTEES OF THE DIOCESE AND THE ANSWER TO IT

At the meeting at Plymouth in 1950, the following resolution was presented by the Rev. George B. Wood and passed by the Council:

"Whereas a question has been raised as to the legality of the action of the Trustees, reported on page 8 of the reports for 1949, with regard to the loan of funds from St. Alban's, East Chicago, to St. Stephen's, Hobart, in the sum of $4,000: and to The Church of the Good Shepherd, East Chicago, in the sum of $3,500;

"And whereas the National Canon No. 6 provides certain specific regulations regarding business methods in the Church, especially in Section 1 where funds must be invested with the approval of the Finance Committee:

"And whereas Canon 4, Section 1, of the diocesan canons give authority to the Bishop and Council regarding money matters, and limits are made on the Trustees:

"And whereas there is a question as to whether or not the St. Alban's funds are properly in the hands of the Trustees:

"Therefore, be it resolved that this Council request the Trustees to show the legality of their said action at the next meeting of the Bishop and Council."

A full and complete answer was made to the Bishop and Council, and after Mr. Elliott's death a summarization was sent to each delegate who had attended the Council meeting at Plymouth.

The summarization follows:

Four questions were presented and answered the Chancellor.

Question 1 - Whether National Canon No. 6, Section 1, entitled "Of Business Methods in Church Affairs" is being followed in the handling or investment of securities in the hands of the Trustees of the diocese.

This question is answered as "yes". It is stated that all funds in the hands of the Trustees including all funds left to individual parishes or missions by will or otherwise are deposited with the Harris Trust and Savings Bank of Chicago, Illinois, under written contract.

Question 2 - Whether diocesan Canon 4, Section 1, gives the Bishop and Council any control or authority over the funds and securities in the hands of the Trustees.

The answer is "no".

Question 3 - Whether or not there is any question as to the funds received from the sale of St. Alban's Church property in East Chicago being property in the hands of the

Trustees of the diocese.

The answer is that there is no question that the funds are properly in the hands of the Trustees of the diocese.

Question 4 - The question of the legality of the action by the Trustees in regard to the loan of funds to St. Stephen's Mission at Hobart, Church of the Good Shepherd, East Chicago.

The answer is that there is no question as to the legality of the action by the Trustees in making said loans both under the National Canons and the laws of the State of Indiana.

Continuing the quotation from the Chancellor:

"Concerning the financing of the new church of the Holy Trinity located in South Bend, Indiana, four separate financial transactions were carried forth to carry out and complete the provision of church facilities for the Holy Trinity Parish, all of these financial transactions were carried out under advice of the Standing Committee. The Standing Committee gave its written consent to three of the transactions. With reference to the mortgaging of the Episcopal residence, the transaction was carried out and completed as though it was a refinancing of an existing loan. The written consent of the Standing Committee was not asked for nor received in this last transaction."

To keep the record clear, since this resolution raised questions as to the legality of the action of the Trustees, and was printed on page 19 of the 1950 Journal, this reply must be printed in the Journal of 1951. It will show that although the questions were asked in good faith, they were asked without an understanding either of the Canons of the Church or of the duties of the Trustees. The record must show in definite language that the Trustees acted entirely within the scope of their duties, and that their actions were legal and correct.

The Kefauver Crime Investigating Committee has shocked the people of the United States by its disclosures of vice and the control of organized gambling. It emphasizes the questions discussed by the Bishops of the Church in regard to the use of lotteries and raffles to make money for the church. I hereby ask every priest of the diocese to be firm in refusing permission to use these means of raising money in all church affairs. I emphasize the fact that it is not only illegal but undesirable, especially as it seems to indicate that the raising of money by this means releases people from their primary obligation of giving for every plan for church extension and progress. And because resolutions by groups trying to regulate other peoples actions are ineffective and are usually mistaken for action, I go further and ask that all members of the Church think seriously before they, as individuals, participate in slot machine and other forms of so-called harmless gambling, in all places of public gathering. Action by individuals and not resolutions by groups is what is needed.

As we view our nation and a world confused by war, we must try, as Christians and Catholics, to keep confusion out of the Church. One field in which we should work is the field of the relationship to the church of our men and women in the armed forces. To that end I am appointing a priest to head a commission to keep the Diocese in touch with every means and device that will help us keep our service people in touch with the Church. There is no substitute, however, for the direct contact to be established and continued through the parish priest and people. With the glaring lack of Episcopal chaplains that exists we cannot hope, in many cases, for priest chaplains to seek men, but we must impress upon the men the necessity for them to seek and find priests. Can not we teach our men to be vocative Episcopalians and demand some attention for them to be enabled to keep holy days and seasons? It will be through our Commission that Service Men's medals will be given out, after they have been blessed by the Bishop. Any suggestions that may be made to help us in this work will be received with gratitude.

THE LAYMENS WORK

Last year the diocese cooperated with the National Church in the Laymens Training Program and Every Member Canvass for the Diocese. We also were hosts in April to the Provincial Laymens Meeting and entertained delegates from thirteen dioceses. It was a pleasure for Mrs. Mallett and me to have twenty-four of them for dinner at the Episcopal Residence, and for me to be present at the session held in the Residence. Our Diocese has not yet fully adopted the National System and I hope the clergy will be sympathetic to the general plans and appoint a key man to help apply and carry out both the general church as well as our diocesan plans in each parish.

The recent article in Time and the recurring mention of the Episcopal Church as a Protestant denomination has bothered many of our people. It leads me to recount for you the position of the church as set forth by Bishop Charles F. Anderson, late Bishop

of Chicago, and one time presiding Bishop of the church. We clearly set forth th official position of the church as follows:

"The Episcopal Church historically, structurally, theologically belongs to th Catholic Group. When the Church of England had a family quarrel with the Bishop o Rome and rightfully (as we think) declined to recognize his jurisdiction, she put her self on record in her canon law as not thereby forsaking or rejecting the Catholi Churches of Christendom. She never broke off communion with Rome or Orienta Churches. She remained Catholic. Her doctrine of the Church is the doctrine of th Catholic Creeds. Her doctrine and practice of Confirmation, her doctrine and disciplin touching on Holy Matrimony, her doctrine and practice of the Eucharist, her doctrin and practice of the Ministerial Priesthood, her acceptance of Catholic Orders, he rejection of Protestant Orders, her three-fold Ministry, her theological premises, he devotional life - all these align her with the Catholic family and differentiate her fro the Protestant family."

In closing, I want to speak a few intimate and personal words. To be a Bishop of th Church of God is not to lead an easy life, (and here my sense of humor comes to m support, and I recall what one of the older Bishops said to me: "Any man who desire to be a Bishop deserves to be one!") - to be a Bishop is not an easy life; many deci sions are made and attitudes are resolved in quiet detachment, after hours of contem plation, without recourse to human advice or the assurance of approbation. These ar decisions that often affect other men's lives, their happiness, and sometimes thei eternal salvation, decisions that must be declared openly regardless of man's approva or disapproval. All of that inner work, which takes it out of one, spiritually, is wel comed when one knows that there is an undefinable spiritual bond between us, and es pecially when it is shown by consideration and loyalty, not to the person, but to th *office* of Bishop. I am jealous for, and I will ever strive to uphold the dignity an eternal value of the office of Bishop. To each one of you, priest and lay person, wh is constantly helping me by your prayers, your understanding and your cooperation express my gratitude and affection. Be certain, what you give will be returned to yo in good measure, pressed down and running over.

THE BISHOP'S ANNUAL ADDRESS GIVEN AT

Second Session, October 10, 1951

A series of friendly visits, conferences, and letters, over a period of nearly seve years, between your Bishop and Mrs. George Doubleday of New York (the daughter o John Hazen White who is Bishop of Indiana, and became the first Bishop of Norther Indiana) came to a happy conclusion in September. In a letter dated September 29t Mrs. Doubleday wrote as follows:

"My dear Bishop Mallett:

It is with gratification to me and to my sisters and brothers, that the deed to th Wawasee property is enclosed to you with this letter. For legal reasons the deed i signed by Mr. Doubleday and me but the gift is made in the name of all of the Whit family children, even though two of our number are now in life eternal, namely DeWit Holbrook White and Elwood Sanger White. It seems proper, that all of us should b united at this time for each and everyone contributed to make this gift possible. Th names of all are attached to this deed. It will give us great pleasure to think of you an Mrs. Mallett in the house that was once occupied by our Mother and Father. We hop that all of the people who may come to the property, will find physical and spiritua refreshment in its enjoyment.

Faithfully yours,
Mary May White Doubleday"

The descriptive note in regard to the property was as follows:

"October 4, 1951

To the Glory of God and in living memory of John Hazen White and his beloved wife Louise Holbrook White, in the names of their children; Howard Russell White, Dewitt Holbrook White, Mary May White Doubleday, Charlotte White Pancoast, Elwood Sange White, Catherine White Marquiss, this property is a gift to the Diocese of Norther Indiana, to be used in any way the Diocese may direct."

Many of the people of the Diocese who have been to Wawasee and participated i worship there, will rejoice at this munificent donation given under such generou terms. It supplements a former gift of Mrs. Doubleday's whereby the Diocese (whic owned only the land upon which All Saints' Chapel stands) was given the property i the rear of the Chapel. Upon that site Bishop Gray built the cottage called "Th Bishops' Cottage". The present gift now puts into possession of the Diocese th whole of the lake front property upon which stands Bishop White's former home

another cottage built by Bishop White's son, Walker White, and the land extending back to the road. The intention is for the Bishop of the Diocese to occupy the old White home (which shall be done) and use the rest of the property in any way the Trustees see fit. The first immediate use will be to have the cottage, where the Bishop formerly stayed, given for use as a vacation cottage for priests with families, and use the other cottage to derive income for the maintenance of the other property. There will be no need, with this usage, to put the care of the property into the budget of the Diocese. A use of the property and a study of the possibilities of its development may indicate the future uses to which it may be put.

The Bishop has already made acknowledgment of the gift - a telegram sent after the keys were delivered to him, and in a letter after receipt of the deed. You might be interested in knowing my reaction to this gift, and my letters reveal it:

"We will spend the Fall and Spring in an appraisal of the use of the furniture, and will add to it the necessary pieces to make the Bishops' house representative of the ideas for which the Diocese should stand. You know Mrs. Mallett personally and are aware that she has a keen sense of her responsibilities and duties, which are always performed by her with pleasure. You can feel, therefore, that in your father's and mother's home, hospitality will continue to be dispensed with a graciousness befitting their memory."

The trustees of the Diocese made formal acknowledgment of the gift that was given into their custody. It remains for us, as a Council to make a proper resolution that will be inscribed on the Minutes of this Council, and a copy of it should be sent to each member of the White family who participated in the gift.

5. The Revised Budget of the Department of Missions adopted, the Secretary was instructed to advise the National Council that the Bishop and Council of the Diocese of Northern Indiana had authorized the payment of $12,212.00 for the year 1951 and that more would be sent if possible.

The meeting of April 18, 1951 was held at our Holy Trinity Mission in South Bend that members of the Council might see the work and progress of this great Mission. Future meetings of the Bishop and Council were announced by the Bishop, as follows:

1. An Organizational meeting following the meeting of the Annual Diocesan Council in Mishawaka on May 16th.
2. On September 17th at Huntington
3. On October 25th at St. James', South Bend.
4. On November 19th at St. Augustine's, Gary.

The business of this Council included:

1. A study and discussion on Policy and Procedure for Diocesan and District Surveys.

2. A report from Father Brittain, Chairman of the Department of Christian Education, showing a 1951 Children's Lenten Mite Box Offering int the amount of $3,314.57, together with the announcement by Father Brittain of the Annual Diocesan Youth Rally at Michigan City on May 4th and 5th, with The Rev. Father Taylor, O.H.C. the Leader.

3. The Rev. George B. Wood, Chairman of the Department of Promotion, presented in detail the plans for the promotion of the Annual Every Member Canvass, together with the plans for trained Laymen to speak not only on the Canvass but also in support of our Theological Seminaries.

4. Our Bishop made comment and announcement as follows: that he had been informed by both our Presiding Bishop and Treasurer to the National Council that we were right in pledging $12,212.00 to the National Church for 1951 and not our full quota; that a Provincial meeting of Laymen on The Presiding Bishop's Committee for Laymen's Work would be held in our Diocese on Saturday and Sunday, April 28th and 29th, and that this was a mark of distinction for our Diocese; that the Provincial Synod would meet on September 18th - 20th at Ann Arbor, Michigan; and that he recommends that Parishes place in their budgets the payment of the Blue Cross for their clergy. This recommendation of the Bishop in regard to the status of the Blue Cross was moved by Mr. B. K. Patterson, seconded by Mr. E. Spencer Walton and passed by the Council.

Respectfully submitted,
Erland L. Groton, Secretary

REPORT OF THE DEPARTMENT OF MISSIONS

The Chairman of the Department of Missions has worked with the Bishop of the Diocese in the promotion of the work of this Department. Most of the business of this Department is, of necessity, embodied in the report of the Secretary of the Bishop and Council.

In addition to many conferences with the Bishop of the Diocese there were held two meetings of the Department of Missions since the last meeting of the Annual Diocesan Council: viz, September 20, 1950 and December 12, 1950.

The meeting of September 20, 1950 produced the following resolution as made by The Rev. Erland L. Groton and as passed by a meeting of the Bishop and Council at a meeting of the Bishop and Council at a later hour on the same date:

"In view of Gas City not being in a position to use the funds raised for the purpose of a Rectory in Gas City, the Treasurer of the Diocese is authorized to use these

funds for the purchase of property at Huntington: with the proviso that all Parishes and Missions having contributed to this fund be notified and given opportunity, upon written request of the Vestry before January 1, 1951, for the return of their share of these funds, if they are not willing for them to be used for this purpose,"

Other actions of this meeting of the Department of Missions were:

1. A revision of the 1951 budget of the Department of Missions.

2. The appointment of a committee to inspect certain property at Huntington, with the members of this committee as follows:

The Rev. Peter Dennis
The Rev. Harold Kappes
Mr. Paul Royster
Mr. Donald B. Smith

The meeting of December 12, 1950 found the Bishop appointing two important committees:

1. A committee of the membership of the Department of Missions to act as interested 'Go-Between', relative to the Missions of the Diocese and the Bishop and Council, for the purpose of mutual benefit and understanding as follows:

Angola, The Rev. Robert J. Murphy
Gary - St. Augustine's, Mr. E. Lacy Gibson
Gas City - Hartford City, The Rev. Peter Dennis
Hobart, Mr. Maurice Stacey
Huntington, Mr. Paul F. Royster
Trinity - South Bend, The Rev. Erland L. Groton
St. Anne's - Warsaw, Mr. Glen R. Sawyer
Valparaiso - St. Andrew's, Mr. Arthur Miller

2. A committee to evaluate our existing Diocesan Missionary work, as follows:

The Rev. George B. Wood, Chairman
The Rev. Leslie S. Olsen
The Rev. William Karl Rehfeld
The Rev. Peter Dennis
Mr. Edward R. Greene
Mr. John Bodman
Mr. Dan Gibson

A Revised Budget of the Department of Missions, as incorporated in the minutes of the meeting of the Department of Missions on December 12, 1950 was adopted by the Meeting of the Bishop and Council on February 14, 1951, and is, thereby, the working budget of the Department of Missions for this year of 1951.

REPORT OF THE DEPARTMENT OF PROMOTION

In 1950 the Department of Promotion adapted and used a new presentation suggested by the National Council. It was highly successful because of the zeal and enthusiasm of the ten laymen, who participated in the program, beginning with a training conference at the Episcopal Residence last September 16th and 17th, from which they went out to two or three parishes or missions to make an audio-visual presentation of the work of the national and diocesan church. They were provided with transcriptions of talks by Bishop Kennedy of Hawaii and our own Bishop Mallett as well as seventeen kodachrome slides picturing the work of the Diocese. The clergy cooperated in obtaining the slides, and these can still be obtained from the Department Chairman for use in parish programs. To the laymen, who performed this labor of love for their church we proffer our grateful thanks and here list their names in recognition.

H. Stanford Barrett, III	LeRoy Lacey	Maurice W. Stacy
John Dudley	Ward Baker	Robert Shoots
Keith Yoder	Dan Gibson	Edward R. Greene
	Rupert Esser	

There was no increase in the specific asking for Missions, but all were urged to meet the quota of the year before if they had failed to reach that goal. There is of course still much room for improvement, but there was a gratifying increase of nearly $2,000.00 in the pledges for the General Program of the Church.

The Department devised and printed for the Diocese a special pledge card, which had widespread acceptance. The office received and disbursed on order nearly 13,000 pieces of promotional literature. All but one of the parishes and missions made use of our services.

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

The Board of Examining Chaplains of the Diocese of Northern Indiana submits its report for the canonical year, 1950-51.

Under the provisions of Canon 29, Section 1a, we examined the following Candidates for Holy Orders:

Hugh Neil Barnes
Donald Westlake Ingerson
Wallace Lewis Wells

We recommended that Wallace Lewis Wells be ordained Deacon and that he be advanced at the conclusion of the canonical period of the Diaconate to the Sacred Order of Priesthood without further recourse to this Board.

We recommended that Hugh Neil Barnes and Donald Westlake Ingerson be ordained Deacon, with the recommendation that they be remanded to the Board for further examination before being ordered Priest.

Upon the request of the Bishop of the Diocese we consented to the transfer of Donald Westlake Ingerson to the Diocese of Eu Clair, recommending that he be further examined by the Board of Examining Chaplains of that Diocese on the subjects in which he received conditional recommendations prior to being ordained to the Sacred Priesthood.

Upon the motion of the Board, Hugh Neil Barnes has been recommended to be ordained Priest without further recourse to this Board, we having been assured that the subjects in which he received conditional recommendation have been satisfactorily completed during the course of study at Nashotah House.

REPORT OF THE DEPARTMENT OF CHRISTIAN EDUCATION

The oversight and planning for children's education in parishes and missions of the Diocese is the chief work of this committee. Much of its effectiveness has been due to the untiring and able efforts of Miss Jessie Hunter, former education director of the Diocese. Her resignation to take on other work in the Church has been a matter of great regret and loss keenly felt in the work of this committee.

The two fields in which the committee exerted an influence this past year have been in the field of Vacation Church Schools and in the field of the Lenten Offering. In the former, materials to aid the clergy in planning and conducting Vacation Church Schools were sent late last spring. A larger number of parishes and missions conducted such schools than ever before.

The Lenten Offering reached an all time high in 1951, with all active parishes and missions participating in an offering that amounted to $3,319.02. The Church School Rally was held at St. James', South Bend, on Sunday afternoon, April 15, when the Offering was presented in the presence of Bishop Mallett. Awards were made for projects entered in the Bishop's Honorable Mention Contest. St. James', South Bend, received the Bishop's Banner for the highest per capita offering in the Diocese.

REPORT OF THE DEPARTMENT OF PUBLICITY

To the members of the Fifty-Third Diocesan Council, the Department of Publicity submits the following report.

During the year 1950, nine issues of the monthly diocesan magazine, THE BEACON, were published at a total cost of $1,288.75, as compared to $1,341.31 for the year 1949. The difference of $52.56 is a savings made possible through the courtesy of the Miles Medical Laboratories of Elkhart, who have made the addressograph plates this year without charge.

The magazine has a mailing list of approximately 3,600 names. This list includes members of all parishes and missions in the diocese except Trinity Church, Michigan City. This parish receives a bundle of the publication.

Because of a doctor's orders, the Chairman of the Department asked the Bishop for permission to resign as of May 1, 1951. The Bishop graciously accepted the resignation. Therefore, this report, also, includes the first four monthly issues of THE BEACON for the year 1951.

Respectfully submitted,
Leslie Skerry Olsen, Chairman

REPORT OF THE TRUSTEES OF THE DIOCESE OF NORTHERN INDIANA

The Trustees during the year carried forth the procuring of property in Huntington, Indiana for the establishment of a mission in the area. Negotiations were started in September of 1950, and on November 20, 1950, a contract was made with the Eva M. Smith Estate for the purchase of the real estate located in Huntington, Indiana for the sum of $8,000.00. On March 2, 1951, the transaction was closed by the signing of a note and mortgage for $4,800.00, and the balance of the purchase price paid for said real estate.

In February of 1951, the Trustees procured under land contract, a rectory for St. Augustine's Mission in Gary, Indiana. The real estate was purchased for the sum of $9,000.00. The property is being paid for, including the down-payment, by the members of St. Augustine's Mission themselves.

The Trustees further have made an intensive investigation of the Church Fire Insurance Corporation and said materials are being digested and reviewed by the

Trustees and a report will be prepared with reference to this matter.

REPORT OF THE TREASURER OF THE DIOCESE

AUDITOR'S REPORT

February 12, 1951

Right Reverend Reginald Mallett
Bishop of the Diocese of Northern Indiana
2217 East Jefferson Blvd.
South Bend, Indiana

Dear Bishop Mallett:

We have examined the 1950 financial records of Mr. B. K. Patterson, Treasurer of the Diocese of Northern Indiana, and his report for the year ended December 31, 1950.

Recorded receipts were traced to deposit; cancelled checks were examined and compared with the disbursement records and supporting vouchers; and the bank balance at December 31, 1950 was confirmed directly with the depository and was reconciled, after recognition of outstanding checks and transit deposits, to the book balance. Records were found to be in order and well kept throughout the year.

In our opinion the accompanying Exhibits and Schedules, as well as the Treasurer's Report, reflect correctly the financial status of the Diocese Operating Fund at December 31, 1950 and the results of the operations for the year then ended.

Respectfully submitted,
Crowe and Chizek

Mishawaka, Indiana

Gentlemen:

We have examined the records of Mr. Donald B. Smith, Treasurer of the Missionary Fund of the Diocese of Northern Indiana, and his report for the year ending January 14, 1951, and submit herewith comments and exhibits relative thereto.

We traced all recorded receipts to the depository, compared the cancelled checks and the treasurer's warrants with the record of disbursements, and reconciled the balance on deposit with the First National Bank of Kokomo, Indiana, as of January 14, 1951.

We did not verify the summarization and distribution of receipts and disbursements, nor did we circularize the various churches to verify payments to the Diocese.

Respectfully submitted,
